FOUNDATION

There was a man, says Christ, who built his house upon rock; and the rain fell and the floods came and the winds blew and beat upon that house, but it did not fall. It was founded upon rock.

You can't get very far without a good foundation. If you build your life on sand, if you flit about and rush through the job, the whole structure will be nothing but a flimsy shanty. You'll collapse under the difficulties of life. Yet, on the other hand, if you labor to achieve a solid liberal education from high school onwards, to construct a firm Ignation moral and intellectual foundation, your house will stand. It is founded upon rock.

The parable of the rock foundation comes frequently to mind these days. The recent death of Pius XII and the solemn coronation of John XXIII prompt the world to re-examine the claims of a structure whose foundation is a rock that is Peter. Here in Cincinnati, we've all been closely following the construction work on the new Saint Xavier School foundation at North Bend Road. As the new structure slowly rises—and the rain and winds blow and beat upon that house—we daydream of the future when this rock and all that is built upon it will come to life. The Sectional Pages of the 1959 X-RAY will picture various stages in the progressive growth of this foundation, and a few of our dreams that accompany it.

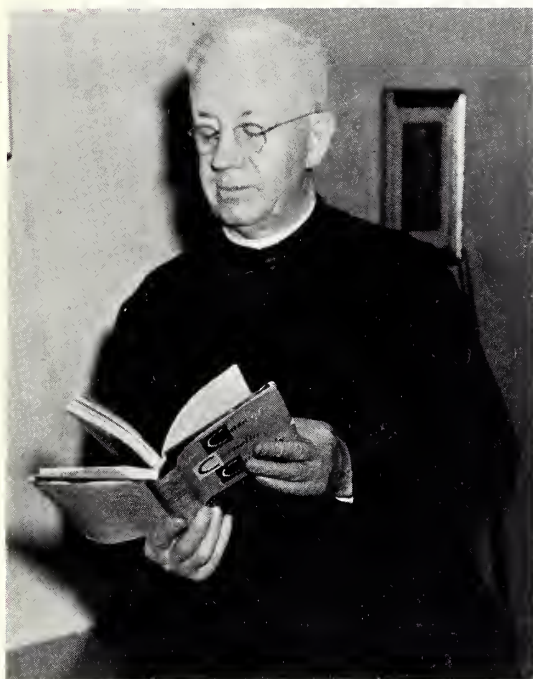

Present reality and future dream.

DEDICATED TO . . .

Fr. William F. Fay, S.J.: 10 Years Principal of St. Xavier

The most important person to the efficient running of a high school is the principal. Saint Xavier, during the past decade, has been most fortunate in possessing one of the most competent administrators in its 128 year history. During this time Saint Xavier has had more than one "annus mirabilis." Because he is the man who is directly responsible for this progress, we proudly dedicate the 1959 X-Ray to our principal, Father William F. Fay, S.J.

CORONATION

HIS HOLINESS

POPE PIUS XII

When the motor hearse bearing Pius XII's body passed through the crowded Roman square, there was already talk that some day this pope would be canonized a saint. He has done many things. He furthered the great cause of the Sacred Heart, Mary, and the Church's liturgy; and inspired peace and freedom throughout the world.

Now John XXIII has ascended the chair of Peter. Already the world has realized he represents all the best that Pius XII stood for. Christ give him the grace for a long and flourishing reign!

RELIGION

The aim of St. Xavier teacher is not merely to produce classes of intelligent, cultured gentlemen. This end, important as it may be, is secondary. The primary purpose of a Jesuit education is to form a Christ-like man. In Religion classes taught in all four years, the principles of the Catholic Church and of its founder, Jesus Christ, are ably presented to the students by the capable Xavier teachers—Fathers McKenna and Wetzel who instruct freshmen, and Fathers McCarthy, Brown, DeChristopher, Majerowski, and Lilly who instruct the upperclassmen.

As we stand on the brink of the Atomic Age, we can readily see that there is an increasing demand for trained scientists. St. Xavier, with a commendable course in science, attempts to provide just these people for our country. Laying the foundation in elementary science, Fr. Follen and Mr. Brennen do a capable job in teaching chemistry to juniors. In physics, Fr. Robinson and Mr. Shlueter labor incessantly in an effort to teach the seniors the intricacies of the subject. Their efforts are not in vain, for every student graduating from their course is indeed another potential scientist ready to serve his country in the Catholic tradition.

Xavier's mathematics teachers — Messrs. McAnaw, O'Leary, Slattery and Fathers Kremer and Graf — instruct students of all four years in algebra, plane and solid geometry, and trigonometry. Consisting of such experience and qualified members, it is small wonder that the Saint Xavier math department ranks with the best in the city, as is evidenced by the graduating classes of this and past years. These competent men have succeeded in turning out not only students well trained in mathematics, but also students ready to lead a good Catholic life.

HISTORY

It is a challenging task to make the past relive. Frs. Garvey and Traficanti and Messers. Grdina, Ballaban, Hils, and Berning do just this in their freshman and sophomore history classes. Several outside projects, such as the Archeology Club and history movies, encourage further student interest. Perhaps nothing so convinces people of the importance of this subject as the frequent appearance of famous historical figures on the screen and television.

THE SODALITY

One of the most active organizations at St. Xavier is the Sodality. Several of the undertakings of the entire Sodality are the food drive, the Christ-in-Christmas-Campaign, the preparations for dances and picnics, and the skating parties. In addition to these activities, each year the Sodality takes upon itself certain apostolates. The freshmen sodalists, under the direction of Fr. McKenna, show their generosity by assisting at the Little Sisters of the Poor. The sophomores, moderated by Mr. Dister, help the boys at St. Aloysius Orphanage. The Junior Sodality, under Fr. Traficanti, and the Senior Sodality, under Mr. Singer, have taken apostolates at the Santa Maria Institute and the Mt. Alverno Home for Boys. Behind each of these undertakings is a motive: either sanctification of themselves, sanctification of others, or de-

fense of the Church. To its members the Sodality gives a way of life, and in return its members are obliged to attend daily Mass and receive Holy Communion, to say certain prayers in the morning and the evening, to examine their consciences, to recite the rosary, and to spend fifteen minutes in mental prayer. By these means the Sodality builds leaders in the Catholic Church — men embodying every facet of a fine Catholic.

STUDENT COUNCIL

Student Council

NATIONAL HONOR SOCIETY

N. H. S.

The year 1950 saw the arrival of a new organization at St. Xavier, the National Honor Society. The object of the new society is to create an enthusiasm for scholarship, to render service, to promote worthy leadership, to effect a better understanding of the philosophy and objectives of the school. Membership in the society is based on scholarship, participation in extra-curricular activities, compliance with school regulations, and moral qualities. Membership is limited to seniors and is determined by a faculty committee.

THE X-RAY

The Book

With the beginning of the school year, the hustle and bustle was again heard from the direction of the **X-Ray** office. Editors Jack Fahrenbach and Jim Eversmann, together with Mr. Ruland, tackled the thousand and one tasks in the organization and planning of the '59 **X-Ray**. Photographers Don Siebert and Bob Kern started snapping the profile of X. The business staff under the direction of Frank Bidinger planned ways to make the '59 **X-Ray** a financial success.

As 1958 passed into 1959 the deadlines approached and work stepped up to a furious pace. There were last-minute pictures to be cropped, captions to be written, a forgotten write-up to be finished, and piles of proofreading to be done. Finally, the smoke cleared and the weary staff waited patiently to read the 1959 **X-Ray** for the first time.

If It's News

Under the guidance of Moderator Mr. King, and Editors Len Schmaltz and Tom Hoobler, the Xavier **Prep** provided both students and alumni with many hours of interesting and informative reading during 1958.

Continuing in the footsteps of former years, this year's editions achieved an excellent 1st class rating in national competition. Students were surprised on April 1st, to receive the first April Fool issue in the school's history. This issue cleverly lampooned many of the school's activities and clubs. With a fine staff of freshmen, the **Prep** promises to maintain its high quality in future years.

The Art of Persuasion

St. Xavier's silver-tongued ambassadors of goodwill took to the highways with unparalleled vigor this year while giving such far-off cities as Detroit, Michigan, and Columbus Ohio, samples of their forensic talent. Led by their moderator, Mr. Philip C. Rule, the varsity debaters — Tom Hoobler, Dave Nordloh, Dave Schmid, and Jerry Simmons — wound up another successful season by winning the District Ohio High School Speech League Tournament held at Wyoming High. On the strength of this victory, they journeyed to the state finals. Not to be outdone by their debater counterparts, Xavier's extra-events speakers had another good year and won their share of tournaments. All in all, the year was quite a success with a total of twenty-five debaters and speakers making the exclusive National Forensic League.

CAMERA CLUB

Worth More Than Words

Click! And another scene is recorded for posterity by one of the members of the Camera Club.

But the Club doesn't stop with merely snapping a picture. Under the direction of Mr. John Dister, and using the equipment in the school's darkroom, the shutterbugs develop and print their own pictures.

Besides providing photographs for the **X-Ray** and the **Prep**, the club furnishes pictures to all the different organizations at school for publicity purposes. It is with deep gratitude to the Camera Club that various moderators of the different activities find that one picture really is worth a thousand words.

RADIO CLUB

"WCQ . . . WCQ"

From Greenland to the South Pole and even in Outer Space, there is no place hidden from the far-reaching ears of the Radio Club.

In his first year at Xavier, Mr. Slattery, the moderator, has built up the club into a very active organization. Especially noteworthy is the large freshman and sophomore membership. To acquaint these younger members with standard radio procedure, Mr. Slattery has arranged instruction classes headed by the veteran members. As a result of these efforts the novices are fast becoming proficient experts in this interesting and useful hobby.

CHOIR, GLEE CLUB, AND BAND

76 Trombones

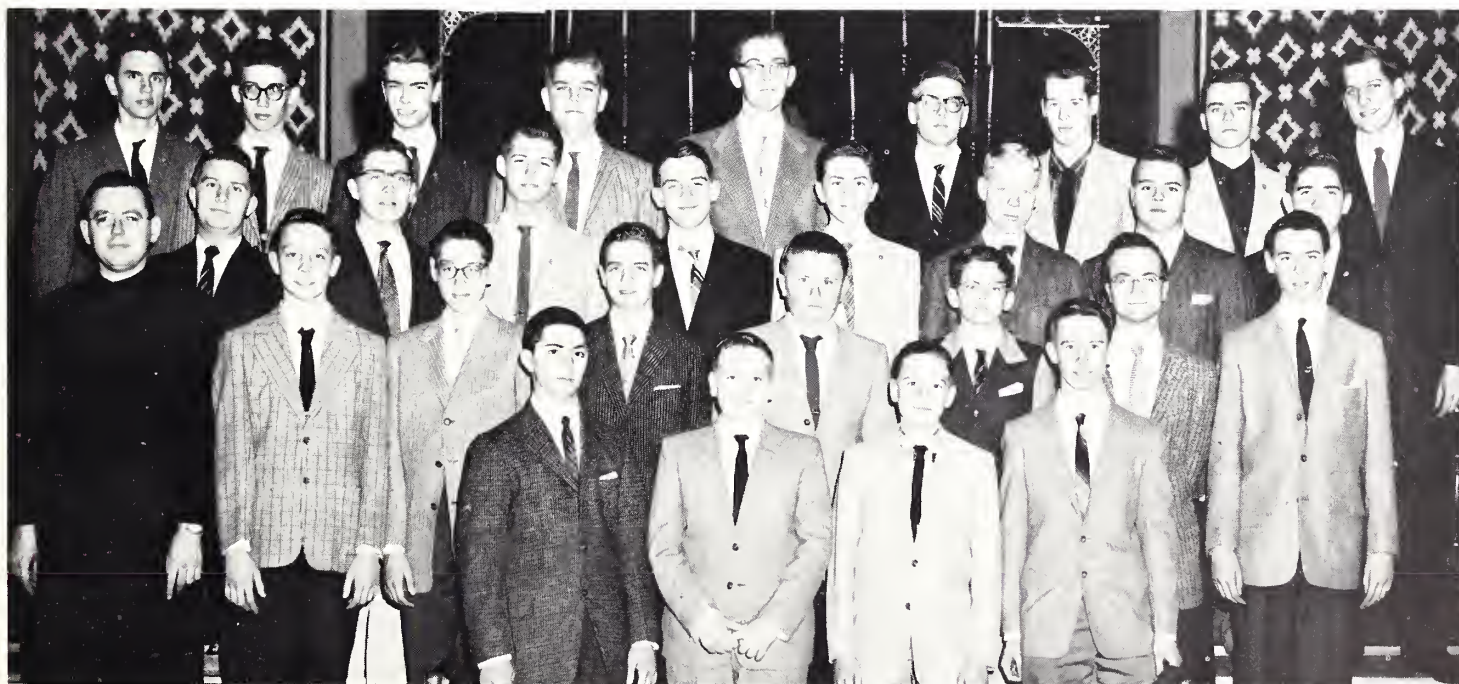

The band, with its membership at a new high of forty-five, impressed the fans at the football games with its snappy marching and many novelty shows. The band's great improvement in each of the past two years has been credited to the fine work done by the director, Mr. John Schneider.

With Mr. James Serrick moderating, the glee club burst into song at the Christmas Play and at the Oratorical Contest; while the choir sang at the Mass of the Holy Spirit as well as at the other spiritual activities.

After mid-year exams, these three activities joined forces in producing that enjoyable evening of variety and entertainment known as the Musi-cade.

DANCES

Xavier's coaches and their wives share a table at the Halloween Dance.

"I Could Have Danced . . ."

Xavier social life sported a full calendar of dances for this year. A few colorful masks and ghouls added a note of terror to the dark atmosphere of the Halloween Dance at the Fenwick Club. Many alumni joined the Xavier students in the Thanksgiving Dance held at the Gibson; many seniors, in their turn, attended the magnificent "La Vie Guerre" Alumni Dance. The Xauvier University Armory was the scene of a popular Mardi Gras Dance at the beginning of Lent. As spring approached, plans centered around coming Junior and Senior Proms and the Frosh-Soph Dance.

"Thanks Mom and Dad"

The Dads' Club, under the direction of Fr. Robinson, President John Mutchler, and a corp of officers and directors, was able to sponsor with great success the Family Picnic, Frontier Night, the Advent Pageant, and the May Fete. Although the Moms' and Dads' clubs are separate organizations, they held two joint meetings this year, both of which were highly successful. The regular meetings were made interesting to all by talks on parent guidance, for example, and a talk by Fr. Joyce on his experiences in Communist China.

This year the Moms' Club sponsored a variety of activities: two "Days of Recollection," card parties and luncheons, a "Freshmen Tea," and a "Senior Tea." Each one of the card parties and luncheons realized about \$2000 for the new school. The officers who worked, in connection with Fr. Wieber to make the year a success were: Mrs. Elmer J. Thobe, President; Mrs. George Rechten, Vice-President; Mrs. John R. Green, Secretary; and Mrs. Joseph Sperber, Treasurer.

The Moms give a helping hand at Frontier Night.

THE ALUMNI ASSOCIATION

A Busy Year

The Alumni Association, moderated by Lester A. Linz, has had an engrossing year, to say the least. On September 18, 1958, the Alumni had their Homecoming at the Hotel Sinton. The big social event of the year, the "Danse La Vie Guerre," and the subsequent drawing for the Jamaica vacation was held at the Netherland Hilton on December 30, 1958. January of 1959 saw the election of new officers. Out-going President Lawrence S. Fitzgerald, '32, was succeeded by Richard C. Denning, '46. In the coming months the Alumni Association plans a card party, a family picnic, and a golf tournament. Although the Alumni's **News and Notes** was printed in the form of a letter folder prior to this year, it is now published as a magazine. Yes, St. Xavier High students have something to look forward to in the Alumni Association.

Father Linz discusses the details of the Jamaica raffle with veteran members of the Alumni Association.

Mr. Glenn, voted the outstanding alumnus of the year, receives the Insignis Award of 1958.

THE APOSTLESHIP OF PRAYER PROMOTERS

Sanctification

The goal of the Apostleship of Prayer Promoters is the sanctification of every student in the school through devotion to the Sacred Heart. They meet once a week to plan a monthly project. Among their many worthwhile projects were the selling of Sacred Heart pictures to spread devotion to It and the annual school consecration in May. A Communion of Reparation was also featured during the year in which each class was assigned a day to receive Communion. During the first three days of Holy Week, a Day of Reparation was held, and two priests visited all the rooms to explain the practices of the organization. The Apostleship of Prayer Promoters are under the able direction of Mr. King and Fr. Graf. Their president is Mark Altenau.

Father Benson distributes Sacred Heart badges to the Apostleship of Prayer Promoters.

RETREATS

Fr. Cook explains the Mass with the air of a chalice at the school retreat.

Work goes hand in hand with prayer at Milford as Junior Sodalists wash the evening dishes.

The retreatants' day begins with Mass in the Chapel.

Fr. Cook bestows the Papal Blessing at the highlight of the Freshmen Retreat.

The Spiritual Exercises

One of the most important events of St. Xavier is the school retreat. The freshman and sophomore retreats were held the week after semester examinations. The students receive instruction in the student chapel and have spiritual reading in their classrooms.

The juniors and seniors take their retreat at the Loyola Retreat House for Youth at Milford. They live in silence for the duration of the retreat. They spend these days praying, reading privately, attending the talks of the retreat master, and praying the rosary and stations outdoors. All retreats come to a close with Benediction and the Papal Blessing.

Spiritual reading constitutes nearly half of the retreatants' day.

STUDENT MASS

Noon Mass

One of the primary purposes of Jesuit training is the spiritual development of each student. To further this aim, St. Xavier inaugurated noon Masses this year, thereby allowing the students a greater opportunity to receive Our Blessed Lord in Holy Communion. At once a marked increase in Communions was noticed and consequently Knights of the Blessed Sacrament participation was absorbed into every Student Mass. On different days of the week the students use various ways of assisting at Mass. Reciting the Rosary, the dialogue Mass, and the sung Mass are a few of the ways in which they assist the priest. Along with the regular 8:10 Mass, the new noon Masses have had great effect on the spiritual lives of all St. Xavier students.

The Knights of the Blessed Sacrament — which always urged students to frequent reception of the Eucharist — increased almost to the size of the student body itself.

Seated: J. Distler, C. Audretch, T. Russo, C. Herman, J. Goldberg, C. Wiedemann, W. Niehaus. **Standing:** H. Keuper, J. McDonough, D. Mutchler, T. Luebbers, Mr. Dister, T. Canfield, K. Wenke, J. Meihaus, F. O'Hara, P. Boyd.

C. S. M. C.

Full Fledged

Now an established organization at St. Xavier, the C.S.M.C., under the able direction of Mr. Dister, works to enkindle the spirit of the missions in all St. Xavier students. In line with the plans of the local conference, our unit has been doing much to expose the evils of Communism. Movies, literature, and informal talks have all been called into play. Besides its work against Communism, the C.S.M.C. has inacted a book drive and a "rosary-a-day" card for the Jesuit Missionaries in Patna, India.

MASS OF THE HOLY SPIRIT

Full student participation in the Mass of the Holy Spirit: Holy Communion distributed by Fr. Linz.

Fr. English, new Pastor of St. Xavier Church, reminds students of their challenge and obligations.

On September 26 of this school year, 1958-59, the official opening of St. Xavier High School was marked by the traditional Mass of the Holy Spirit. The purpose of this Mass is to ask the Holy Spirit for the much needed light, guidance, and inspiration to lead us throughout the coming school year. This Solemn High Mass was celebrated by Fr. Benson, assisted by Fr. Linz who is in his initial year at St. Xavier, and by Mr. Rule.

Father English who is the pastor of St. Francis Xavier Church gave an impressive sermon to the student body on the youth of today. The students showed their enthusiastic support of the Mass by their full participation in the singing and the great percentage that received Holy Communion.

Under the deft hand of Mr. Serrick, the schola leads High Mass responses.

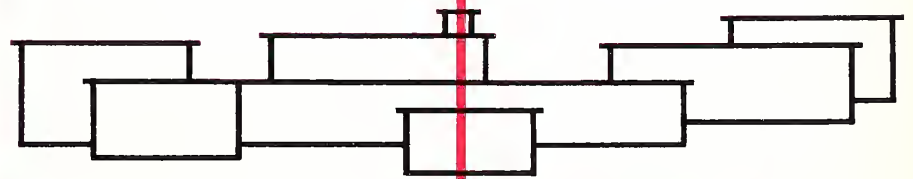

Celebrant of the Mass and Rector of St. Xavier High School, Fr. Benson reads the oration.

ST. X--WOODWARD

Jim Rave cheers teammate Joe Goldcamp on to first Xavier touchdown against Woodward.

Co-captains Green and Boyle pose for a picture with Xavier coaches Tom Ballaban and Dick Berning.

With a 22-0 win over Woodward the Bombers threw their hat into the ring for another championship season. From the beginning, the Bulldogs got absolutely nowhere against the seemingly impenetrable Xavier defense. A bad pass from center on an attempted punt handed Xavier the ball on the Woodward 26. Within three plays the Bombers had sent Kollman over for the score marking the beginning of the end for Woodward. Finn snagged a Bulldog aerial to set up the next score early in the second period. Here again the Bombers sent Kollman over for the score and Goldkamp added his second PAT to put the Bombers in front 15-0 at the half.

During the second half, it was Frank Froelke climaxing a perfect evening with a seventy-four yard sprint to pay dirt with co-captain Pat Boyle throwing the key block. Hereafter it was a defensive battle with the Xavier stalwarts stopping the Bulldog backfield cold.

Harry Kollman's fake fails to fool Woodward's defense.

WITHROW

This year the men of Xavier entered the Withrow game as underdogs and again, as in the past, hammered out a hard fought victory over a tough Tiger eleven. Xavier started the scoring with a 95 yard touchdown drive. Joe Goldcamp went over for both touchdowns and extra points. A beautiful touchdown pass from Meyers to Boyle, after a fumble recovery by the alert Bomber defense, enabled them to rest easy during half-time with a 14 point lead. During the second half both teams were plagued by fumbles and interceptions. Neither could maintain a touchdown drive until Withrow pushed across their first score in the waning minutes of the game. But in the remaining minutes of the game Withrow could do nothing and at the gun the Bombers had captured victory Number 2, their fourth over the Tigers in as many years.

McNICHOLAS

Xavier staged a sparkling offensive show in the first half and then coasted to a 40-6 victory over McNicholas for its third consecutive win this year. In a game marked by some of the hardest tackling and blocking seen in this area, Xavier rolled up 40 points to virtually cinch the game before the first half was over. Led by free-scoring Frank Froelke's 20 points, the Bombers trounced the undermanned McNicholas team to the delight of the Homecoming Day partisans at Elder Stadium. In addition to Froelke's 20 points, the Bombers scored on a pass interception by Dan Dutro who took it 25 yards to pay dirt, and on a 12 yard Meyers-to-Altenau pass. McNicholas added their 6 points late in the fourth quarter.

Altenau battles a McNicholas defender for possession of a long aerial.

WALNUT HILLS VS. XAVIER

The Bomber eleven clipped the wings of a determined but outclassed Walnut Hills squad to gain their fourth victory this season. Led by Halfback Frank Froelke, Xavier rolled over the Walnut Hills team to the tune of 20-10. Froelke, with a brilliant display of speed, raced 61 and then 93 yards to score two spectacular touchdowns. The last X touchdown was scored by Harry Kollman who bolted over the goal line to give Xavier 7 more.

Meanwhile Walnut Hills had gained 10 points on a touchdown and a safety; but the Bomber defensive unit tightened up and ended the game deep in Eagle territory.

COVINGTON HOLMES

Journeying this time into the "blue grass" state, the Bombers tangled with the hard hitting Bulldogs of Covington Holmes. In the first half, the defense took up the necessary slack and stopped a Bulldog drive which had penetrated to our one yard line. In the second half, however, a rejuvenated Xavier team returned to the field. With Harry Kollman showing the way, the Bombers moved down to the Bulldog four yard line. Then he shot over for the first touchdown of the game. With a few minutes still remaining in the third quarter, Frank Froelke gathered up a Bulldog punt and raced back sixty yards to the Holmes fifteen, and later added another six points to the total making it 12-0 and victory number five.

Food for thought: Will he make it or not?

LOUISVILLE TRINITY

Boys from Kentucky again provided the opposition, and Roger Bacon Stadium the setting, as the Bombers met Louisville Trinity. Xavier wasted no time in scoring, as a Meyers-to-Boyle pass on the first play from scrimmage put them out in front 8-0. With time running out in the first period the Bombers again took to the airways; this time a Meyers-to-Goldcamp aerial provided the score and the Bombers led 16-0. The remainder of the first half and the entire second was a tight defensive battle with neither team able to push across a score. But the Bomber's great show in the first period was enough as they shut out Louisville Trinity 16-0.

NEWPORT PUBLIC

Seeking revenge for last week's loss to Purcell, the Bombers crossed again into Kentucky to redeem themselves at the expense of Newport's Wildcats. Sparked by the superb running of Half-back Froelke, who reeled off three spectacular runs and a Meyers-to-Boyle pass, the Bombers put down the Wildcats 26-12.

Again credit must be given to the defensive team and particularly to Jack Green and Dan Dutton for steller performances against the Wildcats in holding them to two touchdowns.

Hornsberger and Kilday dump a Newport back.

BACON

A muddy Sunday afternoon was the setting for the Bombers' second GCL encounter, this time with the top-ranked Spartans of Roger Bacon. In a gallant but futile effort the Bombers stood the Spartan tide for most of the first half and left the field with only a five point deficit: 12-7. But sheer will power and desire do not win football games by themselves. Depth is necessary, and depth is what the Spartans had. In the second half, the strong Spartan eleven cut through the tired Bomber team for twenty-two points which cinched the game and destroyed all Bomber hopes for another GCL crown.

PURCELL

The defending GCL champions started out poorly in their first effort to capture the league crown for the second straight year. After a fumble, which Purcell converted into a score on the first play of the game, the Bombers seemingly could not find the range and left the field on the short end of a 22-0 score at the half. The second half gave Bomber rooters more to cheer about with a sparkling Meyers-to-Froelke aerial which covered 65 yards and accounted for the Bombers' lone score. Purcell also scored one more time in the last half to mark a dismal conclusion to the Bombers' first league encounter.

ELDER

This was the last G.C.L. game, the last game of the season, and the last game in the high school careers of 17 seniors. With these thoughts in mind, a grimly determined Bomber squad trotted out to meet an equally determined Elder team. The first half was scoreless. At the beginning of the second half, Frank Froelke gathered in the Elder kick and raced 75 yards to the Panther one yard line. From there Meyers sneaked over to make it 6-0. But Elder came right back and tied the score, 6-6. Then at the end of the fourth quarter, history repeated itself, as Senior Guard Jack Green came through to kick his second game-winning field goal in as many years to give the Bombers a 9-6 victory and another great football season.

With the graduation of seven of last year's varsity, including all-city selections Jack Thobe and Jim Enright, no one was quite sure what to expect from this year's edition of the Xavier Bombers. However, the team had little difficulty in opening the 1958-59 season in the win column, as they disposed of DePorres. The final score had the Blue and White on top, 52-37. In their next outing with

Hughes Big Reds. Mark Altenau scored 17 points in the losing cause. Again having trouble making their free throws, the Bombers lost their second game in a row to a P.H.S.L. foe. It was Central who dumped them to the tune of 51-46. The Bombers got back into the race as they rolled over Lincoln Heights, our old menace Lockland Wayne under a new name, by a 63-51 score. Dick Thobe topped all other scorers with 23 points.

Next, the Bombers gained their second win in a row, this time squeezing by the Taylor Yellow Jackets, 60-59. Dick Thobe swished the winning basket with less than one minute to go. The Bombers now journeyed across the river to defend their Newport Catholic Invitational Tournament crown. In the first game the Bombers were pitted against William Grant, Kentucky's 5th ranked team. Although "Stretch" O'Keefe pumped in 19 points, the Bombers dropped a hard-fought contest, 49-46. The next night in the consolation game, the Bombers faced Lincoln Heights. Finding them just a little tougher than the first time, the Blue and White had to go one over-time period before they eked out a 71-69 win.

G C L

The Bombers carried a 4 won — 3 lost record into G.C.L. competition. In their first game, the Bombers upset Roger Bacon, 69-61. Next, Elder caught the Bombers on an off-night and administered a 66-50 drubbing. For the second time this season, the Bombers had to go into an overtime to win. This time the victim was Purcell. Roger Bacon next fell to the Bombers with a 68-62 score. In the Covington Catholic game Froelke's 19, Altenau's 17, and Meyer's 15 led the scoring parade to a 62-58

victory. Mark Altenau's 27 points could not prevent the Elder Panthers from dumping the X Quintet for the second time, 71-69.

The Bombers needed a win over Purcell to grab at least a tie for the G.C.L. crown. However Purcell reversed an early season decision and knocked over the Bombers, 62-53 to become undisputed champions of the G.C.L. Xavier wound up in a second place tie with Elder. After a later 65-46 defeat by Dayton Chaminade, the Bombers closed the season with a respectable 11 and 7 record.

DISTRICT TOURNAMENT

Xavier, defending district champions, this year were not even seeded. They drew a bye in the first round of the District Tournament. In the second round, the Boys in Blue carried off a hard-fought 63-54 triumph over Madeira. In the quarter finals, the Bombers played second-seeded Purcell. The outside shooting of Dan Connaughton and the 41-point effort by Altenau and O'Keefe carried the Bombers to a 63-57 win. Hughes, with 6'8" Center Stacey Bunton, was the opponent in the semi-final game. The Bombers had to go all-out to gain a 63-58 victory, with a berth in the finals for the fourth year in a row. For the second year in a row, St. Xavier was matched against Taft for the District Title. Again, they beat them, 76-69, and captured the District Championship. Special tribute should be paid to Coach Berning who took an inexperienced team and moulded them into District Champs.

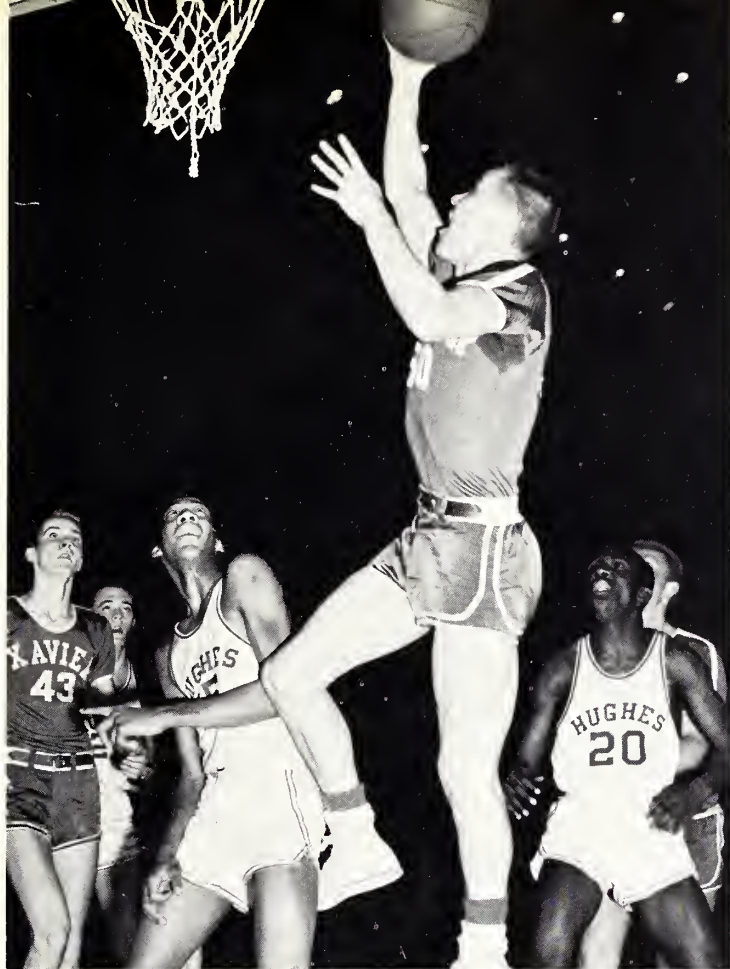

Next came the Regionals. Springfield was the foe of the Bombers in the semi-final round of the Regional Tournament. Springfield fell to the score of 62-53. Altenau and Connaughton had 21 and 17 points. Perennial basketball-power Middletown was the next stumbling block in the path of the Blue and White. However, the strong Middletown squad proved to be too much for the Bombers as they dropped a 73-64 contest.

Thus ended the 1958-59 basketball season. During it, the Bombers had posted a presentable 16-8 record, finished second in the G.C.L., won the District, and were runners-up in the Regional. Another great season for the Xavier Basketeers!

AQUABOMBERS

"Rugged" is the word for 1959 swimming competition in Ohio's Southwestern District. The Aquabombers had a struggle on their hands just keeping their dual-meet record in the black (5 wins, 4 losses). In district competition, Mike Jolivet copped second place in the 100 yd freestyle and teamed up with Dick Lameier, Pat Desmond, and Mike Wurzelbacher to tie Walnut Hills for 2nd place in the freestyle relay. Their time, incidentally, broke the former district record. This relay team went on to beat Walnut Hills and place fifth in the entire state.

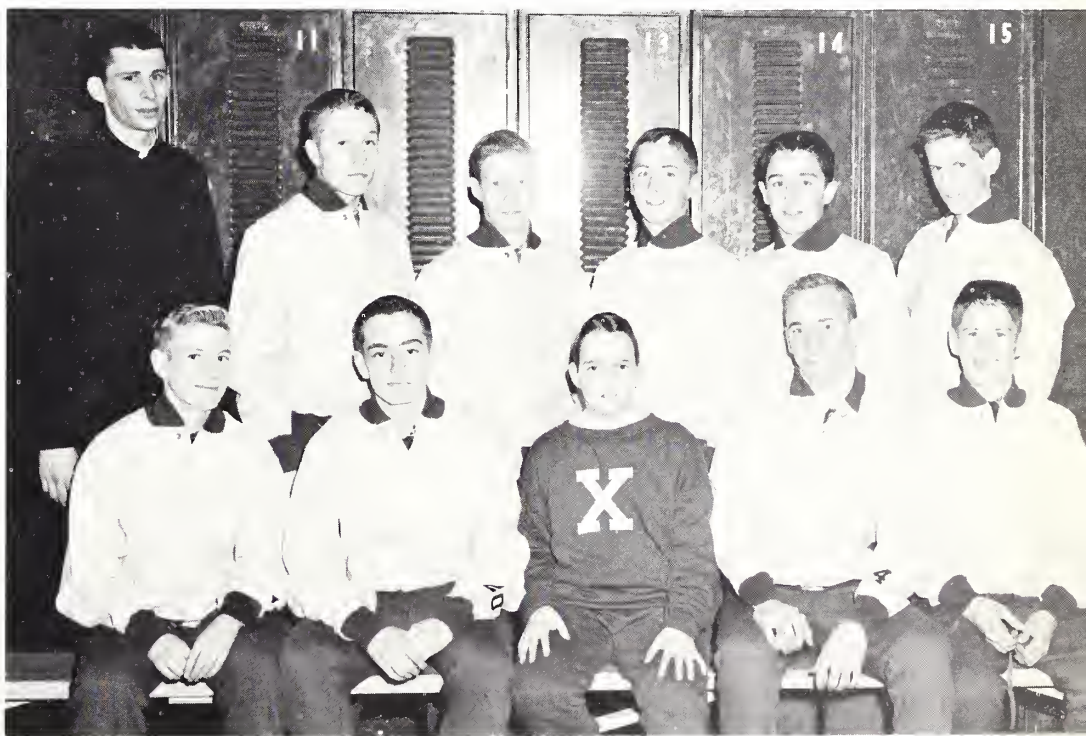

The freshman team lost only one meet by one point, and this with two swimmers on the sick list. So optimism is sound for '60.

THIS WAS

September

On September the eighth, the high-ceilinged halls of St. Xavier echoed the long-missed noises of the students, as they returned for another year of hard work. The football team had already been in practice for several weeks, and the faculty had been getting in shape for the coming task. The Sodality, Camera Club, and all the other activities were readying themselves for the coming year. As the days went on, the first football game took place as the Bombers downed a fighting Woodward team, 22-0. The story was the same on two other occasions as the team downed Withrow and McNicholas. The whole student body backed the fighting team with ear-shattering shouts. The juniors and seniors accustomed themselves to attending Mass at 11:30 instead of the regular 8:50. The Mass of the Holy Spirit was offered and the year was on the way. Next will be

October

The football team runs wild and defeats Walnut Hills and Covington Holmes. The school's star speakers practice daily to bring future trophies home. You can see clever new posters announcing each coming game, and camera club photographers working away during every game. The Sodality Halloween Dance comes and is well attended. After a very decisive defeat from Purcell, the victory-determined Bombers crash through the lines to hand Newport Public a 26-12 decision. Although they have already received one defeat, it looks as if the Bombers still have a good chance for the trophy. Therefore we are waiting for

November

The first week of November came to an end with the bitterly fought Roger Bacon football game. Although we fought hard, Bacon proved to be too much for us, as they pushed through our line to wallop us, 34-7. A few senior classes went on retreat to the streamlined Men of Milford Retreat House. The Sodality held a day of recollection for its members. The customary parents' interview night approached, and some students quaked. The football season came to a close as the Bombers whipped Louisville Trinity and Elder. The football banquet was held successfully at the Netherland Hilton to honor the fighting team, which had ended its play with an 8 and 2 season. The Thanksgiving Dance, held at the Sheraton-Gibson, coincided with a surprise snow and ice storm. Thanksgiving is finally here, so we are out of school until

December

The seniors took their aptitude tests after the Thanksgiving weekend. Students grieved at the surprise news of the death of Pope Pius XII. Shortly after this, the basketball preview was held, although the Bombers did not show much promise. On December 5th, the basketball players played a tragic and futile game against Hughes, after defeating a helpless De Porres team. Then on the 6th, we again lost a trying game to Central. There was another of those few-and-far-between holidays on the feast of the Immaculate Conception. Two weeks after this, the grade school tournament started. Next, the Bombers walloped Taylor, as Froelke scored many, many points. The long-awaited Christmas holidays finally arrived. Although the snow fell everywhere for days, it all melted before Christmas arrived. The Bombers went to the Newport Invitational Tournament; their record might have been much better with more student support. Anyway, they fought valiantly and took third place. The cold December weather provided the perfect setting for the Sodality skating party, which was closely followed by the Alumni Dance. Well, the long vacation draws to a close as we look forward to

'58-'59

January

Out classes resume on the 5th. Two weeks of intensive review before the fast-approaching exams! An annual event "Frontier Night" was held successfully on the 23rd, as students happily lost all their money to the professional card-sharks of the Fathers' Club. On the 26th, the underclassmen began their yearly retreats at school, and the upperclassmen went home for another week's vacation. Winning five out of six games, the basketmen compiled a good record for the month. They ran over Roger Bacon, McNicholas, Purcell, Newport Catholic, and Roger Bacon again, with a loss only to Elder.

February

The month commenced with a Bomber victory against Covington Catholic. Brother Riehle took his final vows in the Society of Jesus on February 2nd. The sodality had its first dance of the new year at the Xavier University Armory. Elder defeated Xavier in a heart-breaking, closely fought game. Soon after this, to celebrate the annual feat of Father Rector, we had a holiday. The awarding of scholastic honors came next day. The Bombers had their revenge on a dazed William Grant for a defeat earlier in the season. Two days later, Purcell dealt us the same. Bomber fans this year returned from the well-attended Chaminade bus-trip with some disappointment. The month ended as Mr. Serrick, Mr. Schneider, the band, and the glee-club prepared for the annual Musicade. With all this behind us, we are looking forward to

March

This is a very important month in the year. This is the one in which you can catch a very desirable disease called Spring Fever. As the month opened, the speech wizards went forward to a terrific match in the G.C.L. competition. On Monday, March the 9th, we all helped in the celebrating of four anniversaries, those of Fathers Brown, Walsh, and Majerowski, and Mr. Brennan. On the 12th, the elocution contest was held, the day after an unexpected snow storm. The basketball team, after a slow start in the beginning of season, downed Madeira, Hughes, and Taft for the district championship. Then they trounced an overconfident Springfield in the regional tournament, but lost a tough game to Middletown. The team was honored at the basketball banquet on the 22nd. Eighty-two Junior chemists toured Oak Ridge, Tennessee under the direction of Fr. Follen. The Easter vacation takes us into . . .

April

Unfortunately, the year is coming to an end. Golf, tennis, and baseball teams are slowly taking shape. Large numbers of students shuffle through crowded locker rooms each afternoon and pile into the bus for track practice. The exotic play, "The Teahouse of the August Moon," was presented almost professionally. In the spirit of the season, Sodalists trek to the Cathedral to sing Ascension Thursday High Mass. Preliminary District-State Scholarship exams take place to select finalists for the Miami contest. Juniors hold magnificent prom at Sheraton-Gibson roof gardens. Tense juniors sweat through challenging merit-scholarship exams. The year is almost finished except for

May

Summer is almost here, and the swimming pools are about to open. All are alive with hopes of exam exemptions. Flowers blossom but fail to add color to our asphalt campus. Mr. Berning's nine is still looking great, while the other spring sports complete their busy schedules. May Fete returns pour in as classes plan their picnics. May Fete Victory Party held to celebrate the highly successful affair. The seniors are on their way to the most important dance of the year. Various activities hold annual banquets. The days slip slowly by until the final big day of Graduation.

ACKNOWLEDGEMENTS

The 1959 **X-Ray** staff gives special recognition and gratitude to the following people who played silent but very important parts in its production: Mr. Norman Koenig, president of the Norman King Company, Berwyn, Illinois. This is Mr. Koenig's first year as publisher of the **X-Ray**.

Mr. Louis P. Ficks, official portrait photographer for the **X-Ray**. Mr. John E. Dister, S.J., and Xavier Camera Club members Bob Strunk, Mike Mathers, and especially Dave O'Toole.

THE 1959 X-RAY

This year the **X-Ray** staff has displayed fine leadership and teamwork in producing their annual award-winning yearbook. Everyone pitched in and gave his limitless time and effort to make the yearbook a success.

Jack Fahrenbach and his Associate Editor Jim Eversmann took on the job of planning and executing every detail of the book. Frank Bidinger, Jack McDonough, and Rudy Hasl teamed up to keep the finances in balance. Tom Vitullo (a hard-working late-comer to the staff), Al Klein-Kreutzmann, Bob Gruber, and John Mc-

Evilley could always be found seated around a table proofreading. To Bill Fahrenbach went a good part of the job of typing the copies and captions. Gerry Simmons contributed a large number of write-ups and layouts. Jack Overbeck, Dick Lameier, and Fred Geraci took care of editing the sports section.

Editor-in-chief Jack Fahrenbach and Moderator Mr. Vernon J. Ruland, S.J., would like to join the students and faculty in thanking the staff for whatever success the book merits.
